

# Sashiko

*Centuries of hand-stitched tradition. The first household sewing machine of its kind.*

**The Sashiko Machine can make all of your creativity come to life!**

**FOR THE LOVE OF SEWING**

## Precise Sashiko Stitches

A specialty needle working in conjunction with a latch wire system forms defined stitches and precise spacing to create a true hand-stitched look.

## Free-Flow Sewing

The adjustable presser foot height allows ease of turning fabric, stitching circles, squares and other shapes for complete control.

## U-Shaped Fluorescent Lamp

The entire needle area is surrounded by a lighting system for maximum illumination.

## LED Monitor

This unique system allows you to easily recognize when the needle is creating a stitch or a space.

## Sashiko Table

Add a world of extra sewing space to your machine with this optional 18" x 24" extension table.

## Sashiko Machine Cover

Protect your machine from dust and store it in style with this optional attractive canvas machine cover.

## Introducing the Sashiko Machine

The look of traditional hand-stitches passed down through generations can now be created on the new Sashiko Machine from Baby Lock. The Sashiko perfectly replicates this distinctive and celebrated stitch with a unique needle system and adjustable stitches and spacing. Now you can add a hand-stitched touch to any project with a household machine that's truly the first of its kind.

For the Love of Sewing.

### Bobbin System

The side loading, oscillating bobbin system is conveniently placed for fast and easy loading.

### Bobbin Winder

Easily prepare multiple bobbins for projects by winding each one on the built-in bobbin winder.
